

03<sup>rd</sup> April 2016

Radisson Blu, Kuwait

**Kuwait Engineers Forum (KEF) *presents***

# KINETIC 2016

**KUWAIT INDUSTRIAL EXHIBITION & TECHNICAL CONFERENCE**

**CALL FOR PAPER & POSTER PRESENTATION**

**THEME**

***SUSTAINABLE DEVELOPMENT -  
INNOVATION, OPPORTUNITIES & CHALLENGES***

**Last Date of Submission: 15<sup>th</sup> January 2016**

[www.kefkuwait.org/kinetic/](http://www.kefkuwait.org/kinetic/)

## Topics for Paper & Poster Presentation aligned to the theme\*

Energy	Environment	Information Technology
❖ Clean Energy	❖ Soil Remediation	❖ Cyber Security
❖ Renewable Energy	❖ Hazardous Material Handling & Transportation	❖ Benefits and Challenges in Automation
❖ Green Buildings	❖ Management of Environment by Value Engineering	❖ E-Learning
❖ Energy Saving for Building	❖ Eco friendly Development & Construction	❖ Cloud Computing
❖ Crude Oil & Gas Processing	❖ Ecosystem Assessment and Restoration	❖ Project Management
❖ Efficient Management of Mega Projects	❖ Wastewater and Sludge Treatment systems	<b>Global Economic Sustainability</b>
❖ Hybrid Energy Systems	❖ Carbon Trading System	❖ Sustainability and Economics
❖ Advanced Energy Technologies	❖ Energy Auditing	❖ Economic Case Studies
❖ Pipeline Management	❖ Waste to Energy Conversion	<b>Corporate Social Responsibility</b>
❖ Energy Conservation in HVAC systems	❖ CO <sub>2</sub> Capturing & management	❖ Environmental Economics
❖ Enhancement of Oil/Gas Recovery	<b>Transportation &amp; Logistics</b>	❖ Waste Management
❖ Water Conservation	❖ Sustainable Transportation	❖ Health Safety & Environment
❖ Quality Assurance & Control		

\*Alternate topics aligned to the KINETIC 2016 theme shall also be considered

## A Glance into the Past Events

Chief Guest-His Excellency Dr Ali Al-Omar, Minister of Oil

**Last Date of Submission : 15<sup>th</sup> January 2016**

## Guidelines for Paper Presentation & its Abstract

### Eligibility

- Open to Engineers and Technocrats with proven track record from Kuwait & abroad.

### Submission of Abstracts

- The abstract shall start with the Title of the proposed paper, followed by Author(s) name(s), Title(s) and Affiliation(s) and thereafter the body of abstract.
- The body of the abstract needs to make a clear statement of the topic, as a marketing document of the full paper. The abstract shall briefly describe the work to be discussed in the paper and also give a concise summary of the findings. The abstract need not include any of the diagrams or table or any other details pertaining to references or any other similar matter.

### Submission of papers

- It is recommended to organize the paper with the following contents.

Section of Paper	Experimental process
Abstract	What did I do in a nutshell?
Introduction	What is the problem?
Materials & Methods	How did I solve the problem?
Results	What did I find out?
Discussions	What does it mean?
Acknowledgements (Optional)	Who helped me out?
Literature Cited	Whose work did I refer to?
Appendices (Optional)	Extra Information

### Requirements/ Limitations

Attribute	Abstracts	Paper
Software	MS Word (2007 or later)	MS Word (2007 or later)
Number of Pages	1 to 1 ½	5 to 6
Paper Size	A4	A4
Font type	Calibri (Body)	Calibri (Body)
Font Size	11	11
Number of words	600-900	3000 to 3600
Line Spacing	1	1

## Guidance for Poster Presentation Competition & Abstract

### Eligibility

- This competition is open to all students (Graduates, Post Graduates and Research Scholars) below the age of 35

### Poster Theme

- The poster theme shall generally fall within the identified topics above. However, posters related to other topics also shall be considered, provided the same can be aligned with the core theme of **KINETIC 2016 - "Sustainability-Innovation, Opportunities and Challenges"**. The theme description shall clearly specify the objective of the poster and approximate number of pages required to complete the theme. The general guidelines for submission of posters is provided below.

### Main Poster

- Limit the text to about one-fourth of the poster space, and use "visuals" (graphs, photographs, schematics, maps, etc.) to tell the "story."
- Lettering-Word process all text (including captions). Print on plain white paper with a laser printer or inkjet printer. Text should be readable from five feet away. Use a minimum font size of 18 points.
- Lettering for the title should be large (at least 70-point font). Use all capital letters for the title.

### Requirements/ Limitations

Attribute	Poster Theme	Main Poster
Soft Copy	MS Word (2007 or later)	PDF
Number of Pages	1	1 to 3
Paper Size	A4	A1
Font type	Calibri (Body)	N/A
Font Size	11	N/A
Number of words	300	N/A

All submissions shall be through the KEF portal (<http://kefkuwait.org/kinetic/>); alternatively to primary email id as [kinetic@kefkuwait.org](mailto:kinetic@kefkuwait.org) with a copy to [jacobthomas@gmail.com](mailto:jacobthomas@gmail.com)

## Deadlines\*

Paper Abstract Submission	15 <sup>th</sup> January 2016	Poster Theme	15 <sup>th</sup> January 2016
Peer Review(Abstracts )	31 <sup>th</sup> January 2016	Peer Review Poster Theme	29 <sup>th</sup> February 2016
Full Paper	29 <sup>th</sup> February 2016	Poster	31 <sup>th</sup> March 2016
Editorial Review (Paper)	21 <sup>st</sup> March 2016	Evaluation -Posters	03 <sup>rd</sup> April 2016

# Last Date of Submission : 15<sup>th</sup> January 2016

**Invitation from Technical Convenor:**

*Welcome to KINETIC 2016 (Kuwait Industrial Exhibition & Technical Conference 2016).*

*KINETIC has emerged as the much awaited Technical event, with a wide sectoral coverage, catching the attention of various industries. It is a resourceful platform for Exhibitors across the industry, and the Technical Conference has provided valuable input to professionals and entrepreneurs. The event over the years has attracted eminent technocrats, managers, experts and decision makers in Oil, Engineering, Construction, and Service Industries in Kuwait*

*The theme for KINETIC 2016 is “Sustainable Development – Innovation, Opportunities & Challenges”. The theme envisages to capture the thoughts, developments, insights and outlook from various sectors including Energy, Infrastructure, Information Technology & Environment.*

*KINETIC 2016 is launching a Poster Competition, under the same Theme. Poster Presentation during the Conference & Exhibition is expected to attract a broad spectrum of audience from Kuwait’s University graduates & practitioners.*

*KINETIC 2016 is an opportunity :*

- ✓ *For industries to exhibit their products and technologies*
- ✓ *For consultants and professionals to present papers that benefits participants*
- ✓ *For researchers, students & practitioners to exhibit their talents through posters*

*Please mark your calendar for 3<sup>rd</sup> April 2016, the flagship day for KINETIC 2016. KINETIC invites you to participate in the Paper Presentation, Poster Presentation & Exhibition.*

**For details or any clarification, Please contact as below:**

**Jacob G Thomas**

**Technical Convener**

**Mobile: 6969 9987**

**Email: [kinetic@kefkuwait.org](mailto:kinetic@kefkuwait.org)**

**Website : [www.kefkuwait.org/kinetic/](http://www.kefkuwait.org/kinetic/)**

**About KINETIC 2016**

KINETIC 2016 is a platform that brings together leading Consultants, Industry Experts, Manufacturers & Service Providers, to showcase their capabilities in the field of Energy, Infrastructure and Environmental sectors in Kuwait.

**Conference:** The conference 2016 will include eminent speakers from Oil & Gas sector, Power, Infrastructure, Governmental Bodies and other Industries. Presentations & special sessions on focus areas will be delivered by experts, professionals and manufacturers.

**Exhibition:** The exhibition will showcase Products, Services & Expertise of Consultants, Manufacturers and, Service Providers.

**Participation in KINETIC 2016**

KINETIC 2016 aims to provide a strategic platform to discuss the Engineering and Management challenges in the Energy, Infrastructure & Environment Sector, which shall open gateways for new market ventures & opportunities.

KINETIC 2016 envisages to promote Sustainable Development, through Innovation, identifying the opportunities, and at the same time, addressing the challenges, that industries come across.

KINETIC 2016 augments the brand visibility of Local and International Manufacturers, Service Providers and Contractors for their Products and Services.

It will also offer networking opportunities to discuss and exchange new ideas and to establish/renew contacts.

**Promoters of KINETIC 2016**

KINETIC 2016 is promoted by *Kuwait Engineers Forum (KEF)*, a registered association of Engineers working in Kuwait. Since its inception in 1989, KEF has grown rapidly and is the largest association of engineers in Kuwait. The members occupy key technical and executive positions in a broad spectrum of industries in Kuwait including Oil and Gas, Petrochemical and Infrastructure fields. Many of the members are prominent entrepreneurs in manufacturing and services sectors in Kuwait and the region. KEF members make immense contribution for the growth & development of economy of the State of Kuwait
