**Invitation from Technical Convenor:**

*Welcome to **KINETIC 2016** (Kuwait Industrial Exhibition & Technical Conference 2016).*

*KINETIC has emerged as the much awaited Technical event, with a wide sectoral coverage, catching the attention of various industries. It is a resourceful platform for Exhibitors across the industry, and the Technical Conference has provided valuable input to professionals and entrepreneurs. The event over the years has attracted eminent technocrats, managers, experts and decision makers in Oil, Engineering, Construction, and Service Industries in Kuwait*

*The theme for KINETIC 2016 is “**Sustainable Development – Innovation, Opportunities & Challenges**”. The theme envisages to capture the thoughts, developments, insights and outlook from various sectors including Energy, Infrastructure, Information Technology & Environment.*

*KINETIC 2016 is launching a Poster Competition, under the same Theme. Poster Presentation during the Conference & Exhibition is expected to attract a broad spectrum of audience from Kuwait's University graduates & practitioners.*

*KINETIC 2016 is an opportunity :*

- ✓ *For industries to exhibit their products and technologies*
- ✓ *For consultants and professionals to present papers that benefits participants*
- ✓ *For researchers, students & practitioners to exhibit their talents through posters*

*Please mark your calendar for **3<sup>rd</sup> April 2016**, the flagship day for KINETIC 2016. KINETIC invites you to participate in the Paper Presentation, Poster Presentation & Exhibition.*

**About KINETIC 2016**

KINETIC 2016 is a platform that brings together leading Consultants, Industry Experts, Manufacturers & Service Providers, to showcase their capabilities in the field of Energy, Infrastructure and Environmental sectors in Kuwait.

**Conference:** The conference 2016 will include eminent speakers from Oil & Gas sector, Power, Infrastructure, Governmental Bodies and other Industries. Presentations & special sessions on focus areas will be delivered by experts, professionals and manufacturers.

**Exhibition:** The exhibition will showcase Products, Services & Expertise of Consultants, Manufacturers and, Service Providers.

**Participation in KINETIC 2016**

KINETIC 2016 aims to provide a strategic platform to discuss the Engineering and Management challenges in the Energy, Infrastructure & Environment Sector, which shall open gateways for new market ventures & opportunities.

KINETIC 2016 envisages to promote Sustainable Development, through Innovation, identifying the opportunities, and at the same time, addressing the challenges, that industries come across.

KINETIC 2016 augments the brand visibility of Local and International Manufacturers, Service Providers and Contractors for their Products and Services.

It will also offer networking opportunities to discuss and exchange new ideas and to establish/renew contacts.

**Promoters of KINETIC 2016**

KINETIC 2016 is promoted by *Kuwait Engineers Forum (KEF)*, a registered association of Engineers working in Kuwait. Since its inception in 1989, KEF has grown rapidly and is the largest association of engineers in Kuwait. The members occupy key technical and executive positions in a broad spectrum of industries in Kuwait including Oil and Gas, Petrochemical and Infrastructure fields. Many of the members are prominent entrepreneurs in manufacturing and services sectors in Kuwait and the region. KEF members make immense contribution for the growth & development of economy of the State of Kuwait
